

## What if I have Extra Waste Questions or Concerns?

We will help if you have questions or if you need additional services:

If you routinely have more than 2 cans of garbage, please call our office for information on additional can service.

If on a one-time basis you have a large amount of waste from a clean-up or small construction project, call our office for information on our economical "4 cubic yard, 5 day bin" program.

Or if you want a convenient place to haul your own extra waste, come to our state-of-the-art waste transfer facility which is located in Modesto at 800 S. McClure Road.

Comments or Concerns? [Please call us!](#)

## Value Added Services

**BULKY ITEM COLLECTION** - Call Gilton's Office to schedule an appointment and to review acceptable and unacceptable materials. Customers get two (2) appointments per year.

**ELECTRONIC WASTE COLLECTION** - Call Gilton's Office to schedule an appointment and to review acceptable and unacceptable materials. Customers get two (2) appointments per year.

**CHRISTMAS TREE COLLECTION** - Please set your Christmas trees out on your pick up day the first two weeks after Christmas.

## Mission Statement

*Our goal is to provide the highest quality waste management services to all of our customers while constantly working to ensure the protection and improvement of our local community and the environment.*

## Customer Service Information

**Waterford**

**Residential Service**

**Phone: 209-527-3781**

# Welcome to Gilton Solid Waste Management, Inc.

## Residential Service

- Cans will be delivered the first week of October
- Gilton Solid Waste bills monthly. Please look for your first Invoice in November.
- The monthly rate for residential service entitles you to once per week pick-up of one standard (96 gallon) black garbage can, and one standard (96 gallon) green organic can.
- Please look for the Red tag on your garbage can to identify what your new pick up day will be. If you do not receive a red tag then your pick up day has not changed.

## One Pass Trucks

Gilton Solid Waste Management, Inc. utilizes state-of-the-art "ONE-PASS" residential collection vehicles. They are fully automated vehicles that are capable of collection two waste streams at the same time. Why we use our ONE-PASS system: Our Focus is based off of four things. First, meeting the Customer's need for convenience and timing – Both cans collected at one time with one truck. Second, meeting the City's need for road maintenance – Less wear on residential streets. Third, safety for residents and local drivers – Eliminates multiple heavy duty vehicles trying to maneuver in residential streets. Finally, Cost-effectiveness – After 20 years of experience with these trucks our low customer rates have proven the efficiency of our system.

## \*\*\*Important Update\*\*\*

- **New Cans will be delivered the first week of October.**

## What goes in the Black Can?

- All garbage must be in 96 gallon cans, secure from animals and placed out for collection no later than 6:00 A.M. on the day of collection.
- We recommend taking your recyclables to a buy back center.
- **NO hazardous materials**, including paints, chemicals, cleaners, pesticides, herbicides, batteries, explosives, or radioactive wastes of any type may be placed in the cans.
- **DO NOT place hot ashes** in your cans. Allow ashes to cool at least one week. Bag or box cooled ashes and Styrofoam "peanuts" to prevent littering.

## What goes in the Green Can?

These items CAN go into your Green can:

Grass, Leaves, Plants, Weeds, Clippings, Brush, Limbs, Wood, Food Scraps, Fruits and Vegetables, Paper Napkins, Paper towels, Newspaper, Junk mail, Magazines, Phone books and Cardboard.

These items CANNOT go into your Green can:

Garbage, Plastic Bags, Glass, Metal, Plastics, Concrete or Asphalt, Toxic Materials, TV's or Computers, Animal Waste, and Dead Animals.

\*must be 65 years or older, provide proof of age and proof of residency.

## Special Services

Go-Back on can.....	\$7.50 (per event)
Extra Dump on can .....	\$10.00(per event)

## Why two carts?

"Enhanced" Mixed Compostable Wastes"

The Gilton System targets not only typical yard and garden wastes, but other organic and plant-based wastes including, paper, newspaper, cardboard, junk mail, and all vegetative organic food wastes. The inclusion of all these compostable materials has significantly increased the waste being diverted in each of the areas using this program.

## Office Hours

Office: 8 am-5 pm Monday through Friday, Closed Saturday and Sunday.

Closed for New Years Eve, 4th of July, Thanksgiving, and Christmas. We will service your can following a holiday one day behind if a holiday is on a weekday.
