NOTE: 4.06.090 Prohibited uses--Mandatory

C. New Planting. Notwithstanding the prohibitions contained in subsection B of this section, new lawns, ground cover, or bedding plants, may be watered every day between seven p.m. and eleven a.m. provided the following conditions are met:

1. New lawns, ground cover, or bedding plants shall not include the reseeding of existing lawns or replacement of existing ground cover, or bedding plants, and shall be newly rototilled earth;
2. A permit must be obtained from the department of public works and a ten dollar permit fee paid;
3. The permit shall be limited to thirty days duration;
4. The director of public works may impose such other restrictions as are deemed necessary to prevent the waste of water. (Ord. 05-01 §5, 2005).
